

500 MM SOLID SBI PANEL

DdP N° PR/05/2017 RPC rev. 3

1. Product identification

351050. 500 mm solid PVC SBI panel with hygienic and antibacterial features

2. Manufacturer details

Viuda de Rafael Estevan Giménez S.L
 Polígono Industrial Río Vinalopó, s/n
 03630 SAX (Alicante) - Spain
 www.laviuda.es

3. Main use

Interior ceiling and wall cladding

4. Evaluation system

System 1

5. Notified organism

* Conformity assurance system:
 Tecnalia R&I Certificación S.L. (Notified organism n° 1239)
 Constancy of Performance Certificate n° 1239/CPR/0820001

* Inicial Testing Type:
 Tecnalia (Notified organism n° 1292)

6. Performances declared

Main parameters	Performances	ITT / Register	Normative
Reaction to fire	B-s3, d0 DVM	064810-003-2	EN 13501-1
Resistance to fixations	See installation instructions		---
Durability	(23,10)	EX2330	EN 13245-2

7. Hazardous substances

In accordance with requirements of the EC Regulation 1907/2006 (REACH).

Free of any substance listed in "CANDIDATE LIST OF SUBSTANCES OF VERY HIGH CONCERN - SVHC" in concentrations higher than 0,1% w/w.
